RATE INFORMATION

The Dividend Rate and Annual Percentage Yield for each account are set forth above. The Dividend Rate and APY for all accounts may change monthly, as determined by the Board of Directors.

COMPOUNDING AND CREDITING

Dividends will be compounded and credited as set forth above. For example, the beginning date of the first dividend period of the calendar year is January 1 and the ending date of such dividend period is January 31. The dividend date follows the ending date of a dividend period, and for this example is February 1. All other dividends periods follow these patterns of dates. The dividend declaration date follows the ending date of a dividend period. If you close your account before dividends are credited, you will not receive accrued dividends.

MINIMUM BALANCE REQUIREMENTS

The par value of a regular share in this credit union is \$5.00. The minimum balance required to open each account is set forth above. To obtain a dividend, you must meet the minimum balance required to earn dividends as set forth above for each account.

BALANCE COMPUTATION METHOD

Dividends are calculated using the average daily balance method. This method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

ACCRUAL OF DIVIDENDS

Dividends will begin to accrue on the business day you deposit noncash items and/or cash to your account.

NATURE OF DIVIDENDS

Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.

FEES AND CHARGES

The following fees and charges may be assessed against your account:

<i>Excessive Transaction Fee</i>	<i>\$ 5.00 per transaction over 6 items per month (savings accounts)</i>

KASASA ACCOUNTS

Purpose and Expected Use of Account

This account is intended to be the accountholder's primary share draft account in which payroll transactions and day-to-day spending activities, including but not limited to, grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period, particularly near the end of a Monthly Qualification Cycle, are not considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

KUE Federal Credit Union reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different share draft account or closed altogether. We also reserve the right to convert the account to a different share draft account if the account does not have consistent active use over six (6) consecutive Statement Cycles.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us, including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted, and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A KUE Federal Credit Union check for the remaining balance, if applicable, will be mailed to the accountholder at the address indicated on our current records. Upon termination of your Kasasa account, any optional add-on products/services associated with this account will also be terminated at the same time.

Dividend Rate & Annual Percentage Yield:

This is a variable rate account. The dividend rate and annual percentage yield may change. The dividend rate is determined at our discretion, and we may change the dividend rate on your account at any time, without any limitations, and without notice to you. We use the average daily balance method to calculate the dividends on your Kasasa Saver account. This method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the Statement Cycle.

When your Kasasa Cash account qualifications are met during a Monthly Qualification Cycle:

Kasasa Cash: average daily balances up to and including \$5,000.00 in your Kasasa Cash account earn a dividend rate of 1.00% resulting in an APY of 1.00%, and average daily balances over \$5,000.01 earn a dividend rate of 0.10% on the portion of the average daily balance over \$5,000.01, resulting in a range from 0.10% to 1.00% APY depending on the account's average daily balance.

When your Kasasa Cash account qualifications are not met during a Monthly Qualification Cycle:

Kasasa Saver: the entire average daily balance in the Kasasa Saver account earns an dividend rate of 0.01%, resulting in an annual percentage yield of 0.01%.

Reward Information:

When Kasasa Cash Back qualifications are met during a Monthly Qualification Cycle, you will receive 3.00% cash back on up to a total of \$300.00 PIN-based or signature-based debit card purchases that post and settle to the account during that cycle period. A maximum of \$9.00 cash back payments may be earned per Monthly Qualification Cycle.

In addition, average daily balances up to and including \$10,000.00 in your Kasasa Saver account earn an APY of 0.75%, and average daily balances over \$10,000.00 earn a dividend rate of 0.20% on the portion of the average daily balance over \$10,000.01, resulting in a range from 0.20% to 0.75% depending on the account's average daily balance.

You will receive reimbursements up to an aggregate total of \$20.00 for nationwide ATM withdrawal fees incurred within your Kasasa Cash Back account during that Monthly Qualification Cycle. We reimburse ATM withdrawal fees based on estimates when the withdrawal information we receive does not identify the ATM withdrawal fee. If you have not received an appropriate reimbursement, we will adjust the reimbursement amount if we receive the transaction receipt within sixty (60) calendar days of the withdrawal transaction. **NOTE: ATM fee reimbursements only apply to Kasasa Cash, Kasasa Cash Back, or Kasasa Tunes transactions via ATM; Kasasa Saver ATM transaction fees are not reimbursed nor refunded.**

When your Kasasa Cash Back account qualifications are not met, no cash back payments are made, and ATM withdrawal fees are not refunded. In addition, the entire average daily balance in the Kasasa Saver account earns a dividend rate of 0.01%, resulting in an annual percentage yield of 0.01% APY.

Dividends will be credited to your Kasasa Saver account on the first processing/business day of the following statement cycle. The cash back payments and nationwide ATM withdrawal fee reimbursements earned in your Kasasa Cash Back account will be credited to your Kasasa Saver account on the first processing/business day of the following statement cycle.

APY = Annual Percentage Yield. APY calculations are based on an assumed balance of \$10,000 + \$100,000 in your Kasasa Saver account and an assumed statement cycle of thirty-one (31) days. Rates, rewards, and bonuses, if any, are variable and may change after account is opened; rates may change without notice to you. No minimum balance is required to earn or receive the account's rewards. Rewards less than a penny cannot be distributed. Fees may reduce earnings. If the account is closed before rewards are credited, you will forfeit the rewards.
