SPRING INTO ACTION

Home Equity Line of Credit Special

1.99%* for a Limited Time!

A KUE Home Equity Line of Credit (HELOC) is an easy way to cover the cost of repairs, room additions, or appliances. Now through July 31st, new HELOC applications from qualified borrowers with an owner-occupied primary residence can apply for a variable-rate HELOC with an introductory rate of 1.99%*.

*The fixed 1.99% rate for the 12-month introductory period begins on the date of account opening. Members are required to make an initial draw amount of \$10,000 at opening. No client or other discounts are available during the introductory period. After the introductory period ends, any and all remaining balances will automatically convert to the variable APR per the terms of the HELOC agreement. Rates offered are subject to change without notice. This credit union and its policies comply with the Equal Credit Opportunity Act. All credit offers and rates are subject to approval. Rates are based on credit eligibility and are subject to change. Your rate may be higher based on your credit history.
